TO WHOM IT MAY CONCERN

Dear CRINOT Fabrice

Re: Invitation to the Analysis of Electronic Health Records Data Course – 22 to 25 July 2025, Chandaria Cancer Centre, MTRH, Eldoret, Kenya.

We are pleased to inform you that you have been accepted into the Analysis of Electronic Health Record Data course offered by the Sub-Saharan Africa Consortium for Advanced Biostatistics Training (SSACAB II) in collaboration with Moi University, London School of Hygiene & Tropical Medicine and the University of Witwatersrand. The course is scheduled to run from 22 to 25 July 2025. Your application was carefully reviewed, and we were impressed by your academic background and demonstrated interest in the subject matter. We are confident that your participation will enrich the course experience for both you and your fellow participants.
